

PLAINFIELD PUBLIC SCHOOLS

LATE ARRIVAL / EARLY RELEASE

Seniors assigned to study hall at the beginning or end of the school day may apply for late arrival or early release from school. Students who are accorded this privilege must have “C” average with no failure, acceptable school attendance and good school behavior.

Students must sign in at the office upon arrival and must not be late for their class, and those students leaving early must also sign out at the office. Students leaving early are not allowed to remain on school property.

Participation in either of these programs requires written parental permission. Students must complete the Senior Privilege Form in the Student Handbook. Violation of any of these conditions will mean loss of privilege.

In no case will student schedules be changed to allow for a late arrival/early release program to be available.

Adopted: 8/9/88
