

## SCHOOL BOARD OPERATIONAL GOALS

The Plainfield Board of Education is committed to the education of all students to the best of their individual abilities; to a constant awareness of the concerns and desires of the whole community regarding the quality and performance of the school system; and to the employment of a Superintendent who will see that the district maintains a position as an outstanding school system and under whose leadership school personnel will carry out the policies of the Board with creativity and dedication.

The Board commits itself to the following objectives:

- 1) To interpret the educational needs and aspirations of the community and to meet them through the formulation of policies which stimulate the learner and the learning process.
- 2) To manage the school system in accordance with Board policy.
- 3) To provide leadership to assure the goals and objectives of the school system are being effectively carried out.
- 4) To maintain two-way communication with the various publics served by the schools.
