105 Putnam Road • Central Village, CT 06332

Dear Business Owner/Manager:

We are the Future Business Leaders of America Chapter for Plainfield High School. This is our second year as a developing chapter with big aspirations. We are arranging a Monopoly themed board game based on our beloved hometown of Plainfield and the wonderful businesses in it.

We are writing to you today to ask for your assistance in supporting us during our fundraiser to help grow our chapter and be able to pursue and accomplish the goals we set for this school year. We are asking if you would like to make a donation towards our goal and purchase ad space on the board to represent your business. Each add space will have a different purchase price. We will be ordering 350 games that we plan on selling at various high school events and locally around the town. If you would like to see more details please see the enclosed paperwork. We are looking forward to having your support!

If you have any further questions, you may email our advisor Carrie LaRoche at larohec@plainfieldschools.org or call at 860-564-6422 ext. 1211. Thank you again for your interest!

Sincerely,

Matthew DeRosier, Emily Goyette, Jason Walton, Mary Deojay, and Conner Delaney
